

Comfort, goals and supportive care

You can ask about comfort and support alongside treatment.

Other heart conditions and life stages

Questions for an individual conversation with your care team.

You can ask about comfort and support alongside treatment. These questions can help you ask for an individual plan. Answers depend on your situation and the people responsible for your care.

Questions to take to my team

☐ Can we discuss what matters most to me and how each option fits those goals?

☐ Would a supportive or palliative care team help with symptoms and family support?

For discussion and personal reference. Your care team's individual instructions take priority. For an emergency, contact your local emergency service; do not wait for a community reply.
